

## We are looking for a **laboratory assistant** (m/f/other) for our Production Department

MMG manufactures custom-made premium materials for dentists in Germany. Our professional team of chemists, business professionals, laboratory technicians, and chemical technicians stands for quality and reliability. We have more than 40 years of experience in the manufacture of dental materials.

### Your

- Preparing and producing preforms for production
- Preparing batches of dental materials according to manufacturing specifications
- Documenting and recording manufacturing processes in accordance with GMP
- Responsible for maintaining order, cleanliness, and hygiene in the workplace in accordance with GMP
- Assisting with the regular review and revision of manufacturing instructions
- Collaborating on the transfer of R&D products into production

### What to Expect:

We offer you a varied and exciting role in the growing healthcare market, a competitive salary, and a team-oriented work environment in a dynamic company.

Have we piqued your interest? Then please send us your application materials, including your salary expectations and your earliest possible start date. If you have any further questions, please contact Luisa Ambrosio.

**We look forward to hearing from you!**

### Your Profile:

- Successfully completed training as a laboratory technician, pharmaceutical technician, or chemical technician in the chemical industry
- Several years of practical experience in the chemical industry or with medical device manufacturers
- High sense of responsibility and commitment to quality
- Excellent communication and teamwork skills
- Ability to work independently and in a structured manner
- Good written and spoken German
