

We are looking for a **full-time production planner (m/f/other)**

MMG manufactures custom-made, premium materials for dentists in Germany. Our professional team of chemists, business professionals, laboratory technicians, and chemical technicians stands for quality and reliability. We have more than 40 years of experience in the manufacturing of dental materials.

Your tasks:

- Independent planning and management of all production orders
- Coordinating and monitoring adherence to deadlines by all production teams
- Assigning delivery dates for customer orders
- Checking inventory levels of raw materials and primary packaging materials for customer orders
- Updating and maintaining production master data
- Further development of production planning in the ERP system
- Creating work instructions for production
- Continuously monitoring and optimizing inventory levels in collaboration with the purchasing department

Your Profile:

- Successfully completed technical or business apprenticeship and/or further training as a production planner, including professional experience in the production sector or a comparable qualification
- Several years of practical experience in production planning
- Thorough knowledge of MS Office applications, especially Excel
- Experience with ERP systems is a plus
- Quick comprehension
- Strong communication and teamwork skills
- Ability to work independently and in a structured manner
- Excellent written and spoken German and English

What to Expect:

We offer you a varied and exciting role in the growing healthcare market, a competitive salary, and a team-oriented work environment in a dynamic company.

Have we piqued your interest? Then please send us your application materials, including your salary expectations and your earliest possible start date. If you have any further questions, please contact Ms. Luisa Ambrioso

We look forward to hearing from you!
